

‘IKE EA: ENERGY INDEPENDENCE RENEWABLE ENERGY WORKSHOP

FRIDAY MARCH 12, 2004

KNOWLEDGE INTO POWER

DATE: Friday March 12, 2004

TIME: 5:30 pm – 9:30 pm

PLACE:

Island School
Main Hall
3-1875 Kaumuali'i Hwy.
Līhu'e, Kaua'i

This event is free and open to the public.

Refreshments will be provided.

Please join us to share in our collective knowledge about your communities' renewable energy resources, current technologies comparisons, village power off-grid, and an update on the latest legislative efforts to support and encourage renewable energy in Hawai'i.

Hawaiians and all people who are beloved of this place: Holomua kākou! It is now time to extend our ho'oulu, our process of transformation, into wider fields of knowledge. Let us focus on linking us all within the fields of renewable energy. Sun, wind, water. Hawai'i needs to awaken! We must reach beyond our predictable expectations to radically alter our course in ways sustaining and pono.

We must sustain ourselves differently and indigenous people from all
